# ART in ALL SIZES

APRIL ART  
BREAK

at the  
WORCESTER  
ART MUSEUM  
TUESDAY-FRIDAY, APRIL 20-23

Join us this April vacation for Art in All Sizes!  
April Art is a creative hands-on workshop program for youth ages 3-17. Students will visit the Museum galleries, work with professional artists and art educators in our studios and create their own artworks in daily 2 or 4-hour workshops.

April Art workshops provide a good introduction to the Museum's collection and the process of making art. For more in-depth instruction, we encourage you to explore our youth art program, which provides sequential art classes throughout the year. In addition, we encourage you to support your child's school art program.

For more information and to sign up, please contact the Education Department at 508.793.4333 and 508.793.4334.

## WORKSHOP DESCRIPTIONS

Note: mixed media refers to combining a variety of materials.

## All-Day Workshops

**ALL MIXED UP** *mixed media*

Check out the contemporary exhibit *What Matters* and look at Heide Fasnacht's piece, *Milky Way*. Back in the studio, use inspiration from the exhibit and create a large piece of artwork by combining small objects, images and materials.

**ENLARGING PHOTOGRAPHY** *photography (2 day)*

Shoot, develop, and print black-and-white photographs using your own manually adjusted 35mm film camera or a simple fixed-focus camera provided by the Museum. Learn how to operate the camera, compose images, and work in the darkroom. Play with resizing your photos to see how they changed.

**STOP MOTION ANIMATION** *computer*

This is your opportunity to learn the basics of animation that have been the standard for claymation and model-based animation in the movie industry. Create your own stop motion animation film by making an object grow and shrink.

## Two-Hour Workshops

**ALL SHAPES AND SIZES***painting and drawing*

Take a look at the colorful shapes in abstract works at WAM, and create your own abstract creation. Create colorful compositions out of shapes of all different sizes.

**COLOSSAL CALLIGRAPHY** *calligraphy*

Take calligraphy to another dimension. Visit the Asian galleries and then learn how to do large scale calligraphy with huge brushes!

**ENLARGING IMAGES** *computer*

See photos and drawings in a whole new light! Learn how to scan images you bring from home and then play with scale. Scan fabric, lace, and yarn to add textures to your images to make a mixed media collage on the computer screen.

**HULKING COMIC STRIPS** *comic art*

Tour the galleries and discover ways that artists tell stories in art. Back in the studio, compare and contrast their approaches with those of comic artists and illustrate a life-size comic.

**ITTY-BITTY ATTIRE** *costume*

In the European galleries, explore and sketch what people wore centuries ago. Using your sketches as inspiration, learn techniques to recreate a fashion design on a tiny scale.

**JEWELRY IN ALL SIZES** *jewelry*

Discover jewelry worn by men and women in precolumbian America. Back in the studio, learn jewelry making techniques and craft jewelry of all different sizes.

**KALEIDOSCOPE SIGHT** *mixed media*

Every artist needs a kaleidoscope! Make one in the studio using small objects and then explore the gigantic patterns the kaleidoscope creates in the galleries!

**MINI TO MAMMOTH ORIGAMI** *origami*

Check out the tiny animals in the Greek gallery. In the studio, learn traditional Japanese paper folding techniques to transform pieces of colored paper into amazing animals and shapes of all different sizes!

**MINI MASTERPIECES** *paint*

Visit the European and American Miniatures gallery to see masterpieces created by famous artists. In the studio, paint your own mini masterpiece on a small-sized canvas.

**MONSTER ME** *sculpture*

Discover a variety of creatures in the Museum's galleries. Then, build a life-sized monster out of recycled material inspired by what you saw.

**PEACEABLE KINGDOM** *mixed media*

Create your own paradise on earth inspired by Edward Hicks' *The Peaceable Kingdom* and other paintings of animals in the Museum. In the studio, make a tiny kingdom of miniature plants, animals, and birds using clay, paint, and mixed media collage.

**PETITE PUPPETS** *puppets*

Find story characters in the Museum galleries and create finger-puppets based on what you see. Get together in groups and make up a story with your new finger-puppets!

**SIZE MIX-UP** *sculpture*

Mix-up the size of objects, such as making a miniature elephant or a gigantic ant! Using recycled materials, see what happens when you change the scale of an object.

**SMALL STEPS, BIG MOVES** *movement*
