AARON HERNANDEZ

Juror Questionnaire

The information that you provide in this questionnaire will be used by the Court and the parties to select a qualified jury in this case; that is, a jury that can render a verdict fairly and impartially based upon the evidence offered at trial. Both parties are entitled to a fair and impartial jury. This questionnaire and the jury selection process that we are about to begin is not meant to be intrusive; rather, it serves the important function of ensuring that a fair and impartial jury is selected to hear and decide this case.

It is very important that you answer these questions as completely and accurately as you can. Please print or write legibly with a pen and answer the questions as candidly as possible. There are no right or wrong answers to these questions. Honesty and candor are of the utmost importance. You have taken an oath promising to give truthful answers. The integrity of the process depends upon your truthfulness.

Please bear the following instructions in mind:

Do not consult, confer or talk with any other person in completing this questionnaire.

If you are unable to answer a question because you do not understand the question, please write "Do not understand" in the space after the question. Do not ask anyone, including court personnel, for clarification or assistance.

If you are unable to answer a question because you do not know the answer, please write "Do not know" after the question.

If you believe that your response to a particular question is of an especially sensitive or private nature and request that your response not be made public, please write the number of that question in your response to Question #51. Alternatively, if you would prefer not to write an answer to a particular question because of the especially sensitive or private nature of your response, please write "Private" after the question. The Court may still need to inquire about the topic, but will endeavor to do so bearing your concerns in mind.

Please do not write on the back of any page. Use the blank space at the end of the form (front side only), where there is insufficient room on the form for your answer to any question. When using this space, please include the number of the question(s) you are answering.

You will be permitted to leave for the day when you have completed the questionnaire. After you leave, do not discuss, by any means, any of the questions or your answers on this questionnaire with anyone, including members of your family, co-workers or other potential jurors. If anyone approaches you and attempts to discuss any aspect of this questionnaire, the jury selection process or any aspect of this case, you may not answer their questions.

Do not discuss by any means anything about this case with anyone and do not read, listen to or watch anything relating to this case. Until you are excused as a potential juror, or, if you are selected as a juror, until the trial is over, you may not discuss this case or allow yourself to be exposed to any discussions of this case in any format.

Do not conduct any research by any means about this case. Until you are excused as a potential juror, or, if you are selected as a juror, until the trial is over, you may not access Facebook, Twitter, any search engine, internet site or blog or other printed or electronic source for the purpose of trying to get any information about this case.

When you have completed the questionnaire, please sign it, affirming the truth of your answers and that you had no assistance in completing it.

As explained by the Court, you will receive further instructions about whether you need to return for the next phase of jury selection. If you have provided an e-mail address, these communications will be by e-mail.

The Court thanks you for your attention and willingness to participate in the jury selection process, an important duty of citizenship in our democracy.
